## DAY 1

### Arrival

Fly into Zanzibar where your taxi will be waiting for you to take to your accommodation, a cozy beach lodge where you're encouraged to be barefoot and lazy. There you will settle in, relax and get ready for our welcome dinner followed by an introductions by your host and welcome team.

You get to stay right on the beach at your accommodation barefoot and relaxed - doesn't come better than that. This is the place to lay your burdens down and go barefoot. Sip a cocktail while watching locals play soccer on the beach, grab a swim before anyone else is up and fall asleep at night to the soothing sound of the ocean. This is a no-frills place offering the chance to unplug, relax and get those feet sandy.

Enjoy a outdoor dinner on the beach, after all you are here to celebrate!!

- Fly into Zanzibar
- Taxi to Accommodation
- Dinner

## DAY 2

### Island Hopping

The beach bliss doesn't end with your time at the lodge. Today you get to explore a few lesser-known islands with local and marine conservationist Okala who loves his homeland and is passionate about showcasing it in an Eco-friendly way. Snorkeling in crystal clear ocean, enjoy fresh fruit on the boat and relax on a deserted beach just for us, ahead of a seafood barbecue. Island life doesn't get better than this...

- Breakfast
- Island tour to nearby islands with a local Guide
- Snorkeling
- Seafood BBQ on Kamado Island
- Afternoon return
- Pamper yourself with local Masseuse (extras not included in package)
- **Birthdays Dinner! After all, you are here to celebrate Ijeoma!**

## Day 3

### Kite Surfing, Stand Up Paddle (SUP) boarding OR Seaweed Tour & Swahili Cooking Class

Ever tried stand up paddle boarding? No worries if you haven't- but Zanzibar is one of the best places to try. Without the wind, the calm warm ocean is a wonderful place to stand up and paddle gently along the coast. Definitely a great way to work those core muscles and get some exercise in after all the delicious local cuisine you will be eating.

Cruise on a traditional dhow boat at sunset, swim in the warm waters, learn to kite surf, stand up paddle board or learn from locals how to best use spices grown on the island to be used to make dishes such as fish masala, chapati and samosas.

- Breakfast
- Kite-surfing depending on the weather
- Stand Up Paddle (SUP) boarding depending on weather
- Or Seaweed tour option
- Swahili Cooking Class

## Day 4

### Stone Town and Spice Market

Enjoy your breakfast while you take in the beauty around you. It's not a good-bye but a see you later as today is your last day on the Island.

Then we take a ride down to Stone Town. Stone Town is one of the oldest living Swahili towns in East Africa. Its unique winding, narrow streets are adorned with (some crumbling) beautiful buildings. Established by Arab slave and spice traders in the early 19th century, Stone Town is the cultural heart of Zanzibar.

Most of the curio shops are based in stone town whereby gift and souvenirs are found, explore the town and shop for yourself, for your loved ones, things like art-works, Zanzibar chests, spice and sculptors and are awaiting for you.

Make sure to get some rest!

- Breakfast
- Spice Market
- Explore on your own
- **Time to celebrate Ijeoma as you enjoy dinner on rooftop, Arabian style!!**

## Day 5

### Departure

Breakfast first, then take in all the beauty around and your taxi will be there to take you to the airport.

### HELPFUL INFORMATION:

#### 1. VISA ON ARRIVAL

- All visitors to Zanzibar require a passport. Passports must be valid for 6 months and have at least two clear pages.
- All US passport holders are required to obtain a visa of entry, which is available on arrival for \$100 per person.

**2. Malaria** is a risk; however, **Zanzibar** is not considered a full blown **Malaria** area by U.S. travel health advisories. Read more

<https://wwwnc.cdc.gov/travel/destinations/traveler/none/tanzania>

**3.** The height of summer on Zanzibar is mid June and winter is in December. However, the islands are warm all year round due to their proximity to the equator. The short rains occur November – December. Expect frequent showers that do not last long.

**4.** Zanzibar is absolutely blessed with sunshine an almost continuous 10 months a year. Combine this with being at sea level and only a few hundred miles south of the Equator – you can get sunburn in 10 minutes. So, pack your sunscreen.

**5.** Don't forget to bring along comfortable shoes, hat, sunglasses, swimming suits and your fun self!
